

'Tis the Season for InterAct's Holiday Bazaar in a Box

Each year, with your help, **InterAct's Holiday Bazaar in a Box** continues the cherished tradition of offering holiday cheer to survivors of domestic and sexual violence in our community.

What is Holiday Bazaar in a Box?

This special package is filled with seasonal goodies, such as hot chocolate, a cozy blanket, a family game, and small presents. What's more, every family also receives gift cards so they can personally select gifts for their children and themselves.

How can I help?
